Professional Summary

Hello, I am Souvik Ghosh, a first year student pursuing B.Tech Information Technology at @Haldia Institute of Technology. I am always ready to have new experiences , meet new people and learn new things . I find the idea of creating value to impacting the world through my work gratifying.

I am very interested in AI ML and it's amazing to learn about its applications in various fields.

I enjoy challenges that enable me to grow. I like to find application in what is taught to me and use new techniques to learn as quickly as possible.

Having lived all around the country and meeting a lot of peoples. I'm able to adapt to any surrounding or circumstance.
